SHAMROCKS

Greetings from Superintendent Willhite

It is hard to believe another summer is winding down and another school year is right around the corner. I hope you had a chance to do some fun things this summer and enjoy a break from school. I also hope you are getting ready for another wonderful school year. This summer, Dan and Becky Lisle have been working hard on getting the building ready for the return of the teachers and students. The freshly waxed floors, new paint, and overall clean building look great and contribute to the positive learning environment of our school. Many of our teachers have been busy this summer attending a multitude of professional development opportunities. Many of our students have also been busy with school-related activities. I want to thank all the students and employees who used some of their summer vacation representing North Harrison. Your efforts are noticed and appreciated.

As I mentioned, another school year is quickly approaching. North Harrison teachers will return to school on Monday, August 20, and the students will return on Wednesday, August 22. I am excited to see everyone as we start the 2018-2019 school year. It is my desire that this is the best school year yet!

New and exciting changes are coming to North Harrison. We will be offering online registration for grades K-12. This will NOT take the place of the 8-12 grade registration, you will still be asked to come in for that. What this will take the place of is all of the paperwork that you get at the beginning of the year. We will have computers set up for those that would like to do this at the school during registration, or back to school night for the elementary, or you may do it in the comfort of your home.

You will need to sign onto TeacherEase as yourself, not a student. Under the miscellaneous tab you should find "online registration". Click on this and it will take you through each step. This will take the place of all the papers that we send home on the first day. Please make sure you complete each step.

Online food service forms will also be available at this time. You will be able to sign up for free and reduced lunches right from TeacherEase.

The process should only take a few minutes. We are hoping that this will save time for all the parents and guardians and you will like the new set-up as much as we do.

Dear Parents and Students,

Welcome to the 2018-19 school year! I trust that you have all had a restful and relaxing summer that has been filled with many opportunities to spend time with family and friends creating precious memories. Hopefully, the students are renewed and ready to learn and achieve, and I look forward to partnering with you parents in the education of your children. I believe that strong community-school relationships are critical for high learning achievement and I truly appreciate the support, involvement, and enthusiasm from the North Harrison community. This community recognizes the value of educational opportunities and extracurricular activities. Students, parents, the administration, and the dedicated teachers and staff here at North Harrison, working together as a team, expect excellence both inside and outside of the classroom. In addition to excellence, we want to create a school climate where safety, respect, and accountability are evident. Our students reflect these expectations through their character and commitment.

It is our desire to keep you informed of all that is taking place at the school. The student handbook provides important information about our school's philosophy, procedures, and policies. It is a guide to the way we operate as a school. Also included in the handbook are behavioral expectations and guidelines for students. There have been some changes since last year, so everyone should read the handbook carefully and use it as a reference throughout the year. Also, monitor the school website and note the information that is included in regular newsletters.

I am pleased to welcome new staff member Daniel DeClue, K-12 Music teacher.

I look forward to seeing you at events during the school year. Please enjoy the remaining days of the summer. Thank you for your commitment to your child's education. It's GREAT TO BE A PART OF SHAMROCK NATION!

Sincerely,

Mr. Mike Schmidli

Welcome Back!

Preparing for Preschool
Miss Rose

The beginning of the school year is just around the corner, and I am excited to begin a new year in preschool!

For some, this will be a fun second year in preschool, and for others it will be a new experience!

I wanted to share some tips on helping your little ones prepare for a successful start of our year in preschool.

- When you mention the beginning of the school year, mention it casually but also share your excitement for this new transition. This way, it's not too overwhelming and frames this new experience in a positive light.
- Involve your child in selecting and labeling school supplies. There is something so fun about buying school supplies - involve your child as much as you can! Even if your child is still developing very early writing and reading skills, even spelling their name aloud with them will help promote their literacy as they enter preschool.
- Consider establishing a healthy sleep schedule a couple weeks prior to the start of school. Summer is a fun time to have a little more leeway with our sleep schedule, but proper sleep will promote a positive first experience as your little one begins a new year!
- Attend back to school night! This is a great way for your your child to meet with their teachers, get acquainted with the classroom, and connect with new and old friends.

Back to school night will be held August 20th from 5:30-7:00

I look forward to seeing old and new faces in our preschool room! Enjoy the rest of your summer, and feel free to email me at waldei-err@nhr3.net with any questions or concerns you might have.

The North Harrison National Honor Society Blood Draw will be held in September in the North Harrison cafeteria. Please watch the North Harrison website for the date and time. The National Honor Society students will be contacting past donors to schedule an appointment. You can also schedule an appointment through www.esavealifenow.org using edonor code northharrisonr3. Drop in donors are always welcome.

North Harrison Athletic Booster Club

The North Harrison Athletic Booster Club will be holding a meeting during the parent/coaches meeting that will be held on Monday, August 20 at 6:00. To become a member you can pay \$35 at the meeting, send payment to school, or pay at the gate of any home sporting event. By becoming a member, your fee to attend all home games throughout the year is reduced to half price and will cost only \$2.

The Athletic Booster Club will be doing some different fundraisers throughout the year and will need help from booster club members. The money from membership dues along with fundraisers go towards the needs of our jr. high and high school athletes in all sports to aid in their success.

Some of the purchases the booster club has made include plyo boxes, softball bats, indoor baseball batting cage, and the basketball shoot-away. Along with these purchases, the booster club provides a drink and snack for all athletes traveling to away games as well as meals for day tournaments.

In order for this to continue your help is needed. If you are a parent, grandparent, or supporter of a shamrock athlete you are encouraged to come to the booster meeting and find ways to help out.

Softball pictures have been scheduled after school on August 27th. We will be using Interstate Pictures for school pictures this year. They have some new and exciting options for us. Pictures will be taken with a green screen. Each student will be given a pin and each parent will be able to log on the the website and view pictures along with picking out the background. Pictures can be ordered anytime throughout the school year through the website. The green screen can also be used for sports pictures. If the weather is not cooperating, all pictures can be taken indoors with a North Harrison field available to surround the picture. We are looking forward to the new technology in

Just a reminder to those who send lunches with their students: we are a fish free school due to a student with a severe allergy. Please keep in mind that we cannot allow any fish in the cafeteria or to be warmed up in the microwave. This includes tuna sandwiches, leftover fish sticks, microwave meals that include fish. Please note that people with a food allergy don't necessarily have to eat, or even handle the food. In some cases just the fumes from the allergen are enough to send a person to the ER. Thank you for your cooperation.

Hello, I hope everyone is having a fun & healthy summer! As we are nearing the start of another great school year, I want to remind parents/guardians to please make sure your child(ren) are up-to-date with the required vaccinations before starting school. If your child(ren) was not current at the end of the 2017-18 school year for the upcoming 2018-19 school year, you should have received a letter notifying you of the required vaccinations needed. Also, children starting Kindergarten, please make sure they have their required eye examination done as well. Vaccinations and eye examinations are a Missouri State Law and are reported. If you are new to our school district, please mail or bring a copy to back to school night, so we can make sure your child(ren) have met the requirements before starting school. If you have any questions, please email me at davisj@nhr3.net. Thank you for your cooperation & I look forward to the start of the 2018-19 school year!

Sincerely,

In August we will rehearse from 1pm-4pm on the 1st-3rd, 6th-7th, and the 13-17th. These rehearsals will include both time inside to continue working on music, as well as outside to work on drill and marching basics. On the evening of August 17th, we will hold a parent preview night starting at 7pm. The band room will be open starting at 5:30 for students and families who may want to take pictures with their instruments in their uniforms. At 7:00 we will be outside and will preview our competition performance and show off everything we have worked on during camp. I look forward to meeting and working with you all this year
