Plan for Improvement

The top priority actions you listed for each module appear below. Based on your overall scorecard, edit, delete, or add actions to create a plan for improvement. The team should select three to five actions to take over the next school year.

Action 1

Action description
Have Wellness Committee meetings at least twice a school year.

Steps:

Action 2

Action description
Food service staff professional development needs to be improved and tracked better.

Steps:

Action 3

Action description
When finances allow, we will continue to pay for Social Worker services from our local hospital. This is also a CSIP goal.
